FORM FIELDS AND ANNOTATIONS...

- 1) Open your PDF Document

In this Example I have a document in which The Text added as Annotations and Form Fields is not shown after being imposed by default.

- 2) To access Quite Imposing Plus, simply Select >**Plug-ins** from Acrobat's **Menu bar** >**Quite Imposing Plus** >**Imposition Control Panel** as shown here.
- 3) Click **Preferences...** button
A dialog box will appear.
- 4) Under Form fields and annotations
Select • **Keep (flatten)**
- 5) Click **OK...**button
A dialog box will appear.

Note: You can now see Form Fields and Annotations in the finished layout.

Final Note: If you need any help setting up your particular signature, Please review our on-line help manual or contact us at help@quite.com.

We will be happy to assist you.
